

SOCCER RULES & BET TYPES

- For all bets on soccer, the result is decided after 90 minutes play. Extra time is not counted, unless otherwise specified. 90 minutes play includes time added on by the referee for stoppages.
- Bets on any match that is abandoned before the completion of 90 minutes play will be void.
- Dates and kick-off times of matches shown on our website are for guidance purposes only. Bets will be accepted up until kick-off time. If a bet is inadvertently accepted on a match after its actual kick-off time, the bet will be void.
- If the venue of a match is other than is advertised, bets will be considered 'action' provided the match has not been switched to the opponent's ground, in which case the match will be declared void.
- Bets taken on first, last and anytime goal scorer do not include own goals. All other soccer bets include own goals.
- Bets on 'Number of Goals' include own goals.
